

# The **MOMS Club** of **Thornbury**

## **Are you an “at-home” mother or part-time working mother?**

The MOMS (Moms Offering Moms Support) Club of Thornbury is a support group for stay-at-home or part-time working/at-home mothers living in Thornbury township, PA. We are a local chapter of the International MOMS Club organization which has over 2,000 chapters and more than 100,000 members worldwide.

The MOMS Club is unique in that children are an integral part of our club. Most activities are scheduled during the day, when at-home moms need the most support. Attendance at meetings and activities is never mandatory. At-home mothers of children of any age are welcome.

- Activities for you and your children such as morning coffees, park play days, recipe exchanges,
- birthday lunches, trips to museums and zoos, just to name a few...
- Playgroups
- "As you grow" activities for school aged families
- Small groups such as Book Club, Scrapbooking, Empty Nesters coffees
- Monthly "Moms Night Out"
- Community Service opportunities
- Monthly socials with discussions and speakers on topics relevant to family life

We know that being an at-home mother today can mean making a financial sacrifice, so annual dues are only \$25.00. If this represents a financial hardship, please let us know.
