

## Revisions and Additions to Vehicle Ordinances

- *Parked against the flow of traffic - §15- 303.1.C. (2) [\$20.00 fine] – This violation is especially dangerous on curves since the driver is unable to see clearly when pulling into oncoming traffic.*
- *Parked in No Parking Area - §15- 303.1.A. (10) [\$20.00 fine]*
- *Parked on Sidewalk/Crosswalk - §15- 303.1.A.(2)(4) [\$20.00 fine] – This violation is also dangerous because it forces pedestrians to either enter into a lane of traffic or trespass onto private property.*
- *Parked on grass at Municipal Park - §15-303.1.C.(4)(a) [\$50.00 fine] – Parking has been provided for everyone's enjoyment of the parks. Please do not park outside of a designated area for parking.*

These regulations have been adopted to provide safe travel to all residents and visitors to our Township. Everyone's cooperation with the code is appreciated. Thank you for keeping Thornbury Township a safe and beautiful place to live.
